Dear Community Leader,

Join the Rotary Club of Tampa on June 2, 2025, for a memorable day of golf for a cause. Our first annual Legacy Golf Tournament invests in our community and honors a family that has been part of Tampa's business and civic evolution for generations.

When you donate to the Rotary Club of Tampa Legacy Golf Tournament, you support Rotary's Camp Florida, an ADA compliant, lakefront camp facility in Brandon that hosts children and adults with health challenges and special needs. Our club is partnering with many others throughout Florida on the renovations and upgrades that will ensure this camp's impact for decades to come.

Since 1914, the Rotary Club of Tampa has grown with our city, led by civic minded leaders with a commitment to our community and to the world. J. Arthur Turner, his son Jake, and grandson Bubba have been integral parts of our club over the past 80 years. Their decades of service and leadership exemplify what it means to be a Rotarian. That is why we chose the Turner family as our event honorees.

In 2024-25 alone, the Rotary Club of Tampa has invested nearly \$90,000 and thousands of volunteer hours in grants and projects in our focus areas. Your support endorses our mission, and for that we are grateful.

There is fun to be had as well! Your day at the private Carrollwood Country Club will not only include a beautiful course, but will include competitive contests, course surprises, silent auction items, and extra festivities that will lend support to a mission of which you can be proud.

Attached are our sponsorship opportunities. Each contains ways to highlight your community support and to engage with players. Many are customizable as well.

We look forward to earning your support, and to playing together on June 2!

Sincerely,

Carrollwood Country Club

Since 1914, the Rotary Club of Tampa has grown with our city, led by civic minded leaders with a commitment to our community and to the world.

Three of those leaders are honored in this year's Legacy Golf Tournament: J. Arthur Turner, his son Jake, and grandson Bubba have been integral parts of our club over the past 80 years. Their decades of service and leadership exemplify what it means to be a Rotarian.

Our club was a founder of the Boys & Girls Clubs of Tampa Bay, helped develop Memorial Highway and Water Works Park, and had a hand in the evolution of countless causes over the years.

In 2024-25, we have invested over \$90,000 and thousands of volunteer hours in our signature programs.

When you join us on June 2, you are also part of that legacy of service. Thank you.
